Introductory Comments

This is an amendment in response to the final Office Action of the United States Patent and Trademark Office dated April 11, 2003. An amendment was filed in response to that final Office Action, but it was not entered pursuant to an Advisory Action of the USPTO dated September 12, 2003. In that final Office Action, Claims 1 and 4 of the application were rejected as being unpatentable over Pakeriasamy '573 in view of Lancesseur. Claims 2-3 and 5-8 were rejected under 35 U.S.C. 103(a) as being unpatentable over Pakeriasamy '573 and Lancesseur, as applied to Claim 1 above, and further in view of Martin et al. Finally, Claims 9-17 were rejected under 35 U.S.C. 103(a) as being unpatentable over the

above-cited references, as applied to Claim 1 above, and further in view of Kitamura et al. The applicants respectfully traverse these rejections.
